

CANDIDATE INFORMATION

Name:	Lisa Sample
Date of Test:	12-02-2025
Position:	Other - Sample
Project.:	PowerPoint Test

TEST RESULTS

Raw Score	Percentile
16	87

RESULTS OVERVIEW

Percentile  87th

By answering 16 out of 20 test items correctly, Lisa Sample achieved a raw score of 16, corresponding to a percentile rank of 87.

This means Lisa's score is higher than or equal to 87% of individuals who have taken this test and belong to the selected norm group.

Time used: 9 minutes

Time limit: 15 minutes

SCORE INTERPRETATION

Advanced

The candidate demonstrates strong PowerPoint proficiency and works efficiently with design tools, formatting options, media elements, and presentation features. They are capable of producing polished, professional presentations with accuracy and attention to detail. This level indicates readiness for roles requiring advanced presentation creation and communication skills.
